FOR IMMEDIATE RELEASE

Evil Mad Scientist Laboratories Joins with the National Park Foundation to Support the 2015 White House Easter Egg Roll

EVIL MAD SCIENTIST LABORATORIES PROVIDES IN-KIND DONATION OF ROBOTICS DEMONSTRATION WITH THE EGGBOT

WASHINGTON (April 2, 2015) Evil Mad Scientist Laboratories announced today that it will contribute to the [National Park Foundation](#), the official charity of America's national parks, to support the 2015 White House Easter Egg Roll.

The White House Easter Egg Roll takes place in [President's Park](#) on the South Lawn of the White House. This year's theme, "#GimmeFive," encourages Americans across the country to share five things they are doing to eat better, be more active, and lead a healthier life, and supports the First Lady's [Let's Move!](#) initiative to help kids grow up healthy and have the opportunity to reach their full potential.

In addition, the official White House Easter Eggs, sold by the National Park Foundation and benefiting America's national parks, are available at easter.nationalparks.org.

Find more information about the National Park Foundation at www.nationalparks.org. Join the national park community by visiting www.facebook.com/nationalpark and www.twitter.com/goparks.

ABOUT EVIL MAD SCIENTIST LABORATORIES

Evil Mad Scientist Laboratories is a small family-owned company based in Sunnyvale, California. The company launched in November 2007 to produce DIY and open-source hardware designs. They produce and distribute a curated selection of components and original kits in support of art, education, and accessibility.

ABOUT THE NATIONAL PARK FOUNDATION

The National Park Foundation is the official charity of America's national parks and nonprofit partner to the National Park Service. Chartered by Congress in 1967, the National Park Foundation raises private funds to help PROTECT more than 84 million acres of national parks through critical conservation and preservation efforts, CONNECT all Americans with their incomparable natural landscapes, vibrant culture and rich history, and INSPIRE the next generation of park stewards.
