Notes:
1. Material: 0.500" Plywood
2. Use .250" router bit for all outlines and pockets
3. Blue shaded sections: Pocket cut .265-.312" deep
4. Dark outlines on drawer pulls:
   V-carve 90 degree X .125" deep for bevel (optional)

All parts 1:1 actual size. Do not scale.
Reference: Centerline of dotted rectangles is 96x48"
